Dear Art:

Pursuant to our telephone conversation earlier today, I am forwarding the attached copy of a memorandum which outlines the principles upon which we operate our insurance program here in the Agency.

While on the surface I see no reason why you couldn't make such use of it as you see fit, I suppose that it would be better if you did not reproduce or distribute it further as a CIA document. I am sure that you will treat it accordingly.

Sincerely,

/s/
